## **BUILDING A BETTER COMMUNITY: STANDING UNITED AGAINST DRUG ABUSE.**

At Impala Car Rental, we believe a strong nation begins with empowered, healthy communities. Our commitment goes beyond transport – we stand against the harmful impact of drug abuse.

Drug awareness and education are key to saving lives. Together, we can:

- Highlight the dangers of substance abuse
- Recognize early warning signs
- Connect individuals to vital support services

Let's educate, support, and protect our communities – especially our youth from the grip of addiction.

### **PARENTS**

Open communication, clear boundaries, and support at home reduce vulnerability to drug use.

### **SCHOOLS**

Education, counseling, and peer-led programs help prevent and address substance abuse early.

### **BUSINESSES**

Drug-free policies, support programs, and awareness initiatives make a lasting impact.

## **HOW ADF EMPOWERS UNDERPRIVILEGED AND DISABLED SCHOOLCHILDREN.**

The Alfred Dondo Foundation breaks down barriers to education by providing essential support to vulnerable children. We cover more than just school fees –offering textbooks, stationery, and uniforms to help children attend school without financial stress.

We also improve accessibility for disabled students by supporting infrastructure and assistive devices, ensuring every child can fully participate.

Beyond academics, we empower youth with life skills and confidence, investing in their future to help them become self-reliant and valuable members of society.
